| 10:30-11:15 | Introduction to the Dissection Room                               | Dr Cecilia Brassett  
Dr Helen Taylor  
FAB Dissection Group A (sets M3, M4, M5, M6, M15, M16, M17, M18) |
|           | Medical Student Register forms, Health and Safety forms and other information | Dr Claire Michel  
Dr Fiona Russell  
Dr Isla Fay  
FAB Dissection Group B, (sets: M1, M2, M7, M8, M9, M10, M11, M12, M13, M14) |
| 11:15-12:00 | Introduction to the Dissection Room                               | Dr Cecilia Brassett  
Dr Helen Taylor  
FAB Dissection Group B, (sets: M1, M2, M7, M8, M9, M10, M11, M12, M13, M14) |
|           | Medical Student Register forms, Health and Safety forms and other information | Dr Claire Michel  
Dr Fiona Russell  
Dr Isla Fay  
FAB Dissection Group A (sets M3, M4, M5, M6, M15, M16, M17, M18) |

This session will include a brief introduction to the course, in particular information regarding the Human Tissue Authority (HTA) and the code of conduct that students must follow in the Human Dissection Room (DR). Students will have their photographs taken in the DR Annexe, after which they will enter the DR to find their Dissection Table and be introduced to their donor’s medical history.

Required Items for the Dissection Room

The total cost of £20 includes the use of the following equipment which will be provided in the DR for both FAB and HNA (Head and Neck Anatomy) courses over two academic years.
1. Disposable gloves
2. Safety eye shields
3. Dissection instruments
4. Surface marker pens
5. A white lab coat plus regular laundry costs
6. Individual photograph to ensure compliance with HTA regulations

Medical Student Register
You will need to sign the Medical Student Register (the form will be provided) and bring with you a signed copy of the Medical School Council Database Permission form, which is available on the Fresher’s webpage to download.
