The FAB course will be conducted in a hybrid format to include practical dissection, live Zoom sessions and online lessons hosted on our Virtual Learning Environment (Moodle). Students will be provided with important information regarding the Human Tissue Authority (HTA) and the code of conduct that must be followed in the Dissection Room (DR). As you cannot visit the DR today, do please watch this video which was produced in 2016 as it will give you some idea of what to expect. However, the DR has been refurbished since then so we will also show you what it looks like now during the session: [https://www.youtube.com/watch?time\\_continue=1&v=yrVkm\\_JtdVQ](https://www.youtube.com/watch?time_continue=1&v=yrVkm_JtdVQ)
