This session will include a brief introduction to the course, in particular information regarding the Human Tissue Authority (HTA) and the code of conduct that students must follow in the Human Dissection Room (DR). Students will have their photographs taken in the DR Annexe, after which they will enter the DR to find their Dissection Table and be introduced to their donor’s medical history.

Required Items for the Dissection Room

The total cost of £15 includes the use of the following equipment which will be provided in the DR for both FAB and HNA (Head and Neck Anatomy) courses over two academic years.

1. Disposable gloves
2. Safety eye shields
3. Dissection instruments
4. Surface marker pens
5. A white lab coat plus regular laundry costs
6. Individual photograph to ensure compliance with HTA regulations

Please make payment online before 4 October:
